Hello All,

Thanks to our **Miracle Worker** here at DJJ, **Brian Kiser** and many emails between Him, COT, Kenton County, IT at DJJ and back to DJJ....the good news is a gentleman will be traveling 5 ½ hours tomorrow to come to Northern Kentucky Youth Development Center to correct the issues with Read 180!!!!

Please keep us posted as the work progresses!

It takes a village so if we communicate and all work together we can achieve not **just** good things....but GREATNESS!!
